

¹ The data in this chart refers to 2021 since 2022 active population is still provisional.

² **New registrations and deregistrations** include active and dormant business units.

³ **Employed Persons** (head count) is defined as the total number of both self-employed and employees. Employment is in terms of jobs, i.e. comprising full-time and part-time (primary and secondary) workers. Thus, if a person is engaged with 2 different business units s/he is counted twice.

⁴ **Active Business Population** includes public corporations and non-profit enterprises.
