L-UFFIĊĊJU TAL-PRIM MINISTRU

OFFICE OF THE PRIME MINISTER

Office of the Commissioner for Simplification

19th April 2018

The Office of the Commissioner for Simplification would like to thank the Malta Employers Association (MEA) for continuously choosing and trusting this office for its services and work. MEA is one of the most important stakeholders that we continuously work with on multiple simplification proposals and which is mainly focusing on simplifying procedures to entrepreneurs and SMEs.

Consequently, it is our pleasure to endorse the INDeX initiative which is the online toolbox for business and entrepreneurs designed to simplify administrative procedures and reduce bureaucracy for SMEs when dealing with Government departments, authorities and other entities amongst others. We officially guarantee our support and collaboration for the launch of this innovative and needed project which will be beneficial for start-ups and established entrepreneurs alike and which aims to enshrine the 'Think Small First' principle.

Ultimately, it is our great pleasure to endorse this initiative and look forward to dealing with you again very soon.

Sincerely,

Rosianne Cutajar
Commissioner for Simplification
