

1 New registrations and deregistrations include active and dormant business units.

2 Employed Persons (head count) is defined as the total number of both self-employed and employees. Employment is in terms of jobs, i.e. comprising full-time and part-time (primary and secondary) workers. Thus, if a person is engaged with 2 different business units s/he is counted twice.

3 Active Business Population includes public corporations and non-profit enterprises.
