

- <sup>1</sup> Employed Persons (head count) is defined as the total number of both self-employed and employees. Employment is in terms of jobs, i.e. comprising full-time and part-time (primary and secondary) workers. Thus, if a person is engaged with 2 different business units s/he is counted twice. (provisional)
- <sup>2</sup> Active Business Population includes public corporations and non-profit enterprises.
- <sup>3</sup> New registrations and deregistrations include active and dormant business units.

| Employment<br>Size Class | Business<br>Units | Employed<br>persons <sup>1</sup> |
|--------------------------|-------------------|----------------------------------|
|                          |                   |                                  |
| 0 - 9                    | 47,829            | 71,893                           |
| 10 - 49                  | 2,562             | 50,582                           |
| 50 - 249                 | 520               | 52,464                           |
| 250+                     | 92                | 50,556                           |
